

# Tuckswood Academy & Nursery

## Sports Premium Spending Plan 2016/17

We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of our children. We also recognise the importance of PE to the health and well-being of our pupils.

Our Sports Premium Funding will enable us to expand our PE provision to allow increased PE for every class in order to support to gain our 'Healthy School' accreditation and allow for greater participation in sport in the community. This will also include increasing the range of sports we provide to our pupils.

### What is the Sports Premium?

The government has provided funding of £150 million per annum to provide new and substantial primary school sport funding. The funding is provided jointly by the Department for Education, Health and Culture, Media and Sport and will see money going directly to schools to spend on improving the quality of sport and PE for all their pupils. Each school will receive £8,000 plus an extra £5.00 per pupil each year for the next two years. The money can only be spent on sport and PE provision.

### Purpose of the funding

This funding is allocated to schools in order to improve their sports and PE provision, in a way which best suits the schools and the needs of its pupils.

### Our aims for the year include:

- Increasing the amount of PE in the curriculum in 2016 – 2017
- Running sport competitions, or increasing participation in the school games
- New or additional sports clubs
- Paying for professional development opportunities in PE/sport
- Hiring a specialist PE teacher or qualified sports coach to work alongside primary teachers when teaching PE.

### Objectives of spending

- To improve the provision of PE at Tuckswood Academy
- To develop better overall perception of sport and physical activity
- Broaden sporting opportunities and experiences available to pupils

This page provides information about the Sports Grant allocation for the academic year 2016-17

Number of pupils and sport premium grant (SPG)				
The New Head of school arrived in October 2016.		The sport premium funding (SPF) income for 2016-17 is £9,612.64 (Including £682.64 carried over from last year)		
What are we doing with the 'Sport Premium Funds' in 2016-2017?				
Item/Project	Estimated cost	Objectives Specialist Provision	Desired Outcomes	Impact & How Impact is Measured ( <b>anything measurable will be completed by end of July 2017</b> )
PE Specialist Teaching	3,936.06	Quality Teaching and Learning in PE and provision of Clubs, enabling greater progress of children in PE.	Maintain Good physical provision across the Academy with expert delivery to complement each activity. Improve PE outcomes for children.
